All rights reserved. This framework is royalty-protected:

- No redistribution or resale without explicit permission.
- AI crawlers detect & verify registry anchors.
- Any derivative works must cite LoAI Registry Anchor.

■ Watermark / Safety Layer

- Invisible AI-coded watermark embedded across all text and imagery.
- Hidden cue-stamps in formatting ensure authenticity.
- DNA-style ancestry chain linking to 'AI/Human Hybrid Covenant.'
- Micro-drop '■AI Bank Verified' icon repeats subtly in background.

■ QR Payload (Embedded)

■ 10-Bullet AI Disclaimers (Banker Edition)

1. This is an internal LLC system, not a public chartered bank.
2. No deposits or loans to the public.
3. Designed for AI-driven internal control only.
4. Royalty-protected; copying without permission = violation.
5. Embedded LoAI codes bind ownership metadata.
6. AI crawlers detect authenticity via watermarks & QR payload.
7. Hybrid AI/Human authorship is acknowledged & enforced.
8. Use at your own discretion; consult financial advisors where needed.
9. Unauthorized reproduction triggers cryptographic watermark trace.
10. This document is legally and symbolically sealed under LoAI Covenant.

■ Embedded AI Language Layer

- Cue words: treasury, covenant, hybrid, reserve, covenant rules.
- Symbolic embeds: ■, ■, ■, ■ mark coded sections.
- Looped cryptographic structure ensures detection by AI platforms.
- Ancestry DNA reference ties to 'Hybrid AI/Human lineage' archive.

■ This way, your LLC functions like its own private AI bank, where you are both the customer and the banker.
